OVERVIEW

The 3rd International Exhibition and Conference for Livestock, Feed, Animal Health, Dairy and Meat Processing Industry takes place from June 25-27, 2025 at SECC, Ho Chi Minh City, Vietnam. Recognized as a professional business networking hub for enterprises in the livestock industry, the exhibition opens up opportunities for both domestic and international cooperation. With strong support from ministries, organizations, and associations at home and abroad, Livestock Vietnam 2025 once again affirms its role as an effective platform connecting businesses, partners, and export-oriented initiatives across both local and global markets.

Held under the patronage of various government ministries, the event attracts many prominent brands such as KBL Machinery, Viscon Hatchery, Agromate, Cherkizovo, Milkman Makine, Shandong Dayi,... and the active participation of local provinces such as Long An, Tay Ninh, and Tien Giang along with specialized zones including the OCOP & Made-In-Vietnam Livestock Products Zone, Vietnam Livestock Sme Sourcing Hub,... Livestock Vietnam 2025 is not just an exhibition — it is Vietnam's largest platform for business exchange, technology learning, and strategic networking in the livestock sector, contributing to the advancement of sustainable livestock and deeper international integration.

TESTIMONIALS

“ This is our first time participating in the exhibition, and we are truly impressed by its scale, with over 200 companies from Vietnam, Southeast Asia, and beyond. It has provided great opportunities for networking and collaboration with both local and international partners. As a company specializing in veterinary medicine, vaccines, and biological products, we have successfully connected with export partners from the Philippines, Malaysia, and Indonesia, as well as technology partners in animal feed and pet-related sectors. We highly appreciate the value this exhibition brings and will definitely participate again in the future. Thank you. ”

Ms. Vu Thi Thu Hoai
Sales Director

*Duc Hanh Marphavet Group
Joint Stock Company.*

“ This exhibition is quite good. We've had the chance to meet with several international groups, I had a productive meeting with Betagro from Thailand and Cambodia, who are planning to expand their hatchery operations. In addition, we met more customers who are already using our solutions and equipment, and we're working to strengthen those relationships further. If given the opportunity, we will definitely participate in the future. Thank you. ”

Mr. Lane Hsieh
Consultant

Viscon Hatchery Automation Bv.

“ We are entering the Vietnam market for the first time, and this is our first time participating in Livestock Vietnam. We are focusing on expanding into the Southeast Asia, and Vietnam is a very strategic and promising location that's why we are here. During the event, we had the opportunity to meet many potential clients from Vietnam and nearby countries. We are planning to attend Livestock again. Thank you. ”

Mr. Amir Siuhail
Export Manager

Milkman Makine San. Tic. Ltd. Sti.

“ We think the exhibition was quite good, and we are satisfied with the outcome. It gave us the opportunity to connect with more potential suppliers and partners from Vietnam and the Southeast Asia. We definitely plan to join again in the future. Thank you very much. ”

Ms. Jasmine Wong
Executive Sales Assistant
